Tutti gli articoli elencati nel presente catalogo, pur essendo perfettamente intercambiabili agli originali, non sono originali. Tutti i riferimenti riportati in questo catalogo, sia di nomi di marche di vetture che di altri fabbricanti di ricambi, non attestano l'originalità, ma l'intercambiabilità dei prodotti. I prodotti riportati nel presente catalogo sono parti di ricambio di qualità equivalente, in conformità al Regolamento CE 1400/2002. I riferimenti al costruttore OEM sono offerti unicamente al fine di identificare l'utilizzo del ricambio.

All items illustrated in this catalogue, although perfectly interchangeable with the original ones, are not original. All references made in this catalogue to individual brand names or other parts manufacturers, following the domination of the car manufacturers, do not claim to be original products, but are interchangeable products. Items listed in this catalogue are matching quality spare partes, in line with Regulation EC 1400/2002. References to OE manufacturers are provided solely for the purpose of identifying spare parts fitting.
